

COVID CHECK 3G Q-A

(geimpft-getest-gesond / vaccinated-tested-recovered)
(till 18/10/2021)

- All games are conducted as **COVID-CHECK-Games (CCG)**
- Referees do not have to check anything – the **CLUBS** are responsible!
- **One** club representative is responsible (CCGR) that EVERY person (players, table officials, team staff, referees) have done a COVID-CHECK before entering the gym/changing rooms.
- **NO** Masks are necessary for CCG.
- Rapid-Antigen-Tests are still provided for free to the clubs by the ministry (as PCR-Tests will not be provided for free anymore) for
 - players
 - referees, commissioners
 - table officials, staff members
 - NOT for spectators!
- Tests could be done at the COVID-CHECK Desk (gym entrance)
 - Please plan ahead and come earlier to the game to do this!
- Certificates from Physio/Pharmacy are also valid → **48hrs**
 - don't forget to bring this to the game!
- IDEM for ALL youth games – same criteria but only one Exception:
 - A school certificate for a test done less than 48 hours before is also valid –
if so presented by the parents to the responsible (CCGR) for the COVID-CHECK.

ALL players/coaches/table (game) officials, referees and commissioners mentioned on the scoresheet must be tested, vaccinated, or recovered! (No other person than tested, vaccinated, or recovered persons should be on the gym/floor.)

All tests done on gameday at the COVID-CHECK-DESK are listed and sent to the Ministry of Health.
